and in consequence prices have a declining tendency; there is, however, a moderate demand from huyers, and a prime article finds ready sale. Only about 125 bbls. received for the week, and sold at \$6 50 a \$6 75 for pine, and \$7 50 a \$7 75 for oak bbls.-closing at lowest figures.

FOR STATESMEN, Judges, Editors, Physicians of the oldest schools as well as new give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite in testifying that it will preserve the hair from being grav, and from? "lling to any age, as well as restore. Read the following:

OAK GROVE, S. C., June 24th, 1859. PROF. O. J. WOOD-Dear Sir: Your Hair Bestorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Bair Restorative a perfect test : During the year 1854, I was so unfortunate as to be thrown

from my sulky against a rock near the roadside, from which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced. There and no other circumstances induced me to resort to your worthy Hair hestorative, which I have every reason to

believe produced a very happy result. Two mouths after the first application, I had as beautiful a head of young hair as I ever saw, for which I certain y owe you my most sin-cere thanks. Rest assured, dear sin, I shall recommend your remedy to all inquirers; more ov r. I shall use my influence, which I flatter myself to say, is not a little. You can publish this, if you think proper, Yours, very respectfully. M. J. WRIGHT, M. D.

Office of the Jeffersonian, Philippi. Va., Dec. 12th, 1858. Dear sir: I reel it my dury, as well as my pleasure, to state to you the following ci-cumstance, which ou can use as you think proper. A gentleman of this place (* iawyer, has been bald ever since his youth; so much so, that he was compelled to wear a wig. He was indu ell to use a bottle of your. Hair Restorative," which he liked very much; and after using some two or three bottles his har grew out quite luxu iantly, and he now has a handsome head of hair. gentleman's nam- is Bradford, and as he i- very well known n our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c., THOMPSON SURGHNOR.

Dr. Wood-Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the applica-tion of your " Hair Restorative" it soon recovered its original hue. I consider your restorative as a very wonderful invention, quite efficacious as well as agreeable. S. THALBEBG.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3 a bottle.
